

## Growing Gardens!

A garden class series focusing on growing and cooking garden produce  
Cooking and gardening classes will be held together. These classes are free and open to the community!

Want to learn how to keep those pesky bugs out of your garden? Have too much produce and not enough recipe ideas? Curious how to keep your plants from running wild? Come join the Center for Rural Affairs at the Nebraska City Community Garden for a fun, free, and informative garden class. Bring your questions and let's all learn together!

### Class #1 (Thursday August 8th @ 5:30 pm at the garden)

- **Cooking:** Early garden snacking, salad ideas, and quick pickles. Ideas, recipes, tasting, and Q&A.
- **Gardening:** Organic pest and weed control methods. Ideas, Q&A, and technical assistance.

### Class #2 (Wednesday September 18th @ 5:30 Location TBD)

- **Cooking:** Canning class. Learn to preserve your garden produce with a live canning demonstration.
- **Gardening:** Mid-season maintenance, learn tips and tricks to keeping your garden beautiful and productive

### Class #3 (Thursday February 27th @ 5:30 Location TBD)

- **Cooking:** Winter recipes using your preserved produce
- **Gardening:** Planning for the upcoming year. Learn how to get a jump start on the growing season and find out all about the what, where, and when of early season planting.
